Welcome to Friendship Elementary School!

I am honored and humbled to serve as the principal of Friendship Elementary. Thank you for trusting us with your most precious treasure, your child. Our goal is to guide students to become lifelong learners who think critically and solve complex problems while demonstrating respect, responsibility, honesty and service to others.

As an instructional school leader, it is my obligation and calling to cultivate a school environment that develops and supports healthy teachers and successful students. Developing such an environment involves valuing and facilitating creativity, problem solving, self-sufficiency, communication, and trust. As a school leader in such an environment, I must lead by example with integrity, energy, creativity, collaboration, and compassion.

We strive to keep children safe and ensure their academic growth. However, this endeavor is one in which we need the collaboration of teachers, students, and parents. We value your presence, feedback, and support.

Kind regards,

*Dr. Tracie Brack*
