New User Instructions

(you are a new user if you did not register and create your CD account during or after the 2020-2021 school year):

Step 1: Type hallcounty.compliancedirector.org into your browser.

Step 2: Click on the "Register" button in the top right corner.

Step 3: Enter the information requested on the registration page. Your email address (preferably your work email) will become your username. You will create your own password. If you do not have a work email address, a personal email address may be used. Please check to be sure you typed both your username and your password correctly. If you mistype your email or your password during this step, you will not be able to login later when typing them in correctly.

You should remember your username and password.

The Hall County Keyword is [Schoolteacher](#). * This keyword is case sensitive*****

Step 4: Once you are in your Dashboard, the modules are listed on the right. Click on the module you'd like to complete (your administration will have told you the modules to complete - also listed at top of this document) and **work your way through the module. Input your personal information** at the end of the module and **click "submit."** You will then find yourself back in your Dashboard, where you will see the modules you have completed on the left side of the page. Select the next module you wish to complete on the right side of the page and follow the same process until you have completed all the required modules.

To logout of your Dashboard, click on your name at the top of the page and click on "logout."

Important: Once you begin a module, you must complete it in order to create your record of completion for that module. You cannot start, stop, and go back into the module where you left off at another time. You can log into and out of your Dashboard as often as you'd like to take new modules and to see or **print** a list of the modules you have completed.

****** You only need to register the first time you log into ComplianceDirector.org. After you have registered your account in the program, you will input your username and password to log in thereafter.**

***** Please be sure to email a copy of your certificate/completion of module to the person you have arranged applying as a volunteer with. Must be a hallco school personnel/email address.**
