What is Title I?

Friendship Elementary is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I

schools must jointly
develop with
parents and family
members a written
parent and family
engagement
policy.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Friendship Elementary will provide opportunities to improve family engagement to support student learning. Friendship Elementary values the contributions and involvement of parents and family members to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Friendship Elementary will support family engagement and support parent planning and participate in activities and events to promote student learning at school and at home.

How is it revised?

Friendship Elementary School invited all parents to attend our annual Parent and Family Engagement Meeting last spring to review and revise this parent and family engagement policy, as well as the schoolwide plan, our school-parent compact, and the family engagement budget. Additionally, parent input and comments regarding this plan are welcome during the school year through an online form. The plan is posted on our school website for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey online and by mail to ask parents for their suggestions on the plan and the use of funds for family engagement. Parents and family members can also give feedback during several parent meetings and activities during the school year.

Who is it for?

All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. Friendship Elementary will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children.

Where is it available?

At the beginning of the year, the plan is available to all students digitally. As a reminder, we will send the plan to all parents via Remind in August before the scheduled Open House event. It will also be shared through the weekly newsletter, The Falcon Flyer. The plan will also be posted on the school website and social media. Parents can also retrieve a copy of the plan in the front office.

2021-2022 District Goals

1. By the end of FY22, the percentage of students in each subgroup moving into the "Proficient" and "Distinguished" levels of performance on the Georgia Milestone Assessments will increase by 2% in the "Proficient" and "Distinguished" levels of performance.
2. By the end of FY23, the percentage of students in each subgroup meeting "Proficient" levels of performance on local assessments will increase by 2%.
3. Increase the percentage of referred students who access school based mental health services by 2% each year (with FY21 being the baseline year).

2021-2022 School Goals

School-Parent Compacts

As part of this plan, Friendship Elementary and our families will develop a school-parent compact, which is an agreement that parents, teachers, and students will develop that explains how parents and teachers will work together to make sure all our students reach grade-level standards. The compacts will be reviewed and updated annually based on feedback from parents, students, and teachers during the

Community Cares event and the School Forum. The school-parent compacts also are shared with parents during parent-teacher conferences and kept with each child's teacher if parents need another copy.

Let's Get Together!

Friendship Elementary will host the following events to build the capacity for strong family engagement to support a partnership among the school, parents, and the community to improve student academic achievement. All meetings for parents and family members will be held twice during the day in the morning at 10:00am and in the evening at 6:00 pm.

Parent and Family Engagement

Friendship Elementary believes that family engagement means the participation of parents and family members in regular two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

- That parents play an integral role in assisting their child's learning.
- That parents are encouraged to be actively involved in their child's education at school.
- That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.

Friendship Elementary is committed to helping our parents and families attend the family activities listed in this policy. Please call or email us if you need assistance with child care or transportation in order to participate in our programs.

Friendship Elementary is Branching Out!

Friendship Elementary will take the following measures to promote and support parents and family members as an important foundation of the school in order to strengthen the school and reach our school goals. We will:

- ✓ Ensure that all information related to school and parent programs, meetings, and other activities is published in both English and Spanish, posted on the school website, and included in the monthly school newsletter for all families.
- ✓ Provide quarterly trainings for teachers via Canvas Modules to train personnel about strategies to improve communication with parents and ideas to increase parents involvement.
- ✓ Partner with early childhood programs, middle and high schools, college and career ready resources or organizations, parent resource centers, or other programs (as applicable) to help prepare parents and their children for successful school transitioning.
- ✓ Share information in English and Spanish on the school blog and in the school newsletter for parents to understand the school's academic standards and assessments as well as the ways parents can monitor their child's progress and work with educators.
- ✓ Communicate with all families and the community on a regular basis regarding schoolwide events and activities, through phone messages, social media, and flyers.
- ✓ Provide necessary materials and handouts for parents at conferences, meetings, and activities to help parents work with their child to improve their child's achievement.
- ✓ Use our Partners in Education and School-Community Team to improve awareness of the activities and events listed in the school parent and family engagement policy.
- ✓ Offer literacy and computer classes for parents and family members to help further enhance their various educational levels.
- ✓ Collect feedback from parents and family members at all events, by providing a suggestion form on the school website in order to respond to parents' requests for additional support for parent and family engagement activities.
