WELCOME TO FRIENDSHIP ELEMENTARY SCHOOL!

It is my absolute honor to serve as your Principal and lead learner at this amazing school. This is a community that I love deeply, and I feel truly fortunate that you have trusted me to care for your children and help them to grow into compassionate, literate, and hardworking young boys and girls. It will always be my goal to provide a safe, supportive, and fun learning environment for our littlest and most valuable members of our community. I believe that learning should be engaging, rigorous, and empowering for all, and know that early literacy education is the foundation for academic and personal success.

At Friendship Elementary, we are dedicated to the continuous improvement of our standards and philosophies, we lead by example, and we utilize our unique abilities to accomplish any challenge ahead of us. As the principal of this school, I vow to work together with our parents and community partners to create an environment where boys and girls can flourish in a creative and engaging educational space that supports them as unique individuals, and pushes them to be the best that they can be. I believe that humans are born to be resilient, creative, and inquisitive. It will always be my mission to enhance these innate qualities in our young people, so they grow up to be strong, innovative, and empathetic members of our community.

My wish is that every child who comes through this building experiences rigorous academic classes, learns to be a kind and caring friend, builds confidence in who they are as a person, and develops a deep love for reading and learning.

Please feel free to contact me at abigail.celli@hallco.org or 770-932-1223
